

# MONSTER MANIA PHOTO OP SCHEDULE & INFO

WWW.CELEBPHOTOOPS.COM

## General Photo Op Information:

**What is a photo op?** Photo Ops are professional photos taken with your favorite celebrities with professional quality lighting and camera equipment.  
**What do I get with my photo op?** You will receive your physical print shortly after your photo is taken printed on professional (dye sublimation) photo printers on 8x10 glossy paper.

**How long do I have to wait for my print?** Typically your print will be ready within two hours from that particular photo op. You can feel free to go back into the convention and then simply come back out to get your print. We will also announce on the @CelebPhotoOps twitter when new photo op prints become available. Print times may decrease or increase based on print volume.

**Can I get my print autographed?** Yes, sharpies stick very nicely to our prints. The price of an autograph is not included in the photo op price. There is no guarantee that photos will be ready in time to have them autographed, especially for later day shoots. No refunds will be given if you do not have time to get your print autographed.

## Other questions you may have....

**When should I arrive for my photo op?** We recommend you get there about 20-40 minutes early, depending on the guest. DO NOT BE LATE! We get the lines through very fast and when the line is done, the celebrity will often leave the photo room. We are sorry but there are no refunds for missed photo ops.

**Do you clean up or alter my photo for me?** We are sorry but we do not do any cosmetic alterations. Try and do any make-up application or hair before coming to the photo op.

**How many people can I have in my photo?** Up to two adults per photo. Families may have up to two adults and up to two children (under 12).

**Can I get duplicate prints if I want more than one?** Yes, it is an additional fee of \$10 for each duplicate print. Duplicate prints will be printed on-site and are available at the convention.

**Can I get a digital copy of my photo?** Yes, it is an additional fee of \$10 for digital copies. Digital copies will be available 7 days after the convention ends at our website [www.celebphotoops.com](http://www.celebphotoops.com). You can use the digital copy for posting on your facebook, twitter avatar, Christmas card, desktop wallpaper, etc. It is a 300dpi jpeg.

**Should I bring anything with me?** Be sure to bring your printed ticket, other than that we suggest you bring as little as possible to the photo op. It helps the line immensely if people do not show up with armloads of items. Please no props.

**Should I remove my glasses?** It is best if you do. The lighting we use is very bright and often causes glare on glasses. Glasses also make it very difficult to see if you blinked or not.

**Do you look for blinks in the photos in case I do blink?** We do our best to try and look for bad shots and or blinks and then retake the photo. Remember, it is a photo you will keep for a lifetime, make sure and try to follow the photographers instructions. Remember, glasses make it very difficult to tell whether or not you blinked.

**Inappropriate Behavior.** We ask that you do not grab the guest, harass the guest, hug the guest, attempt to kiss the guest or ask the guest to kiss you. Any inappropriate behavior will result in your immediate removal from the photo op.

**\*\*No more than two adults per photo, however children under 12 are allowed along with the two adults.**

**\*\*You cannot take photos in the photo op room with your own camera. Please no video either.**

**\*\*Additional Prints are available for \$10.00 each**

**\*\*Downloadable Digital Files (JPGs) are available for \$10.00 each**

**\*\*Print/Downloadable Digital Files (JPGs) Combos are available for \$18.00**

**\*\*Please do not bring gifts for the guest or items for the guest to autograph in the photo room.**

Times listed are start times for photo ops. Guests do not always stay in the photo op room until the start time of the next photo op, they finish the line that is waiting at the start time of their op, then exit the photo area. Revised 3-5-13
