## HELPFUL HINTS, TIPS and RULES

For more information on photo ops at the event you are attending, please visit [www.celebphotoops.com](http://www.celebphotoops.com) and click or tap on "Events, Ticketing & Schedules". Find your event and visit the corresponding page.

The photo op schedule is subject to change, please check back frequently for up to date information. The revision number in the upper right of the schedule will change any time there is changes to the schedule.

Lines for photo ops start no more than 30 minutes prior to the photo op time, please do not arrive for your photo op until the queue line is open. Arriving too early for your photo op can cause unnecessary congestion at the line queue entrance which can often lead to missed photo ops and inhibit our staff from queuing fans.

Please be sure to print your tickets from online purchases or have them on your mobile device. You will scan the QR code before entering the photo op booth. There is no personal photography or video in the photo op room. Glasses often glare, we do suggest removing them if possible, photos will not be retaken in the event of glasses glare. For health & safety reasons, there is absolutely no kissing of the guests or asking to be kissed by them, no exceptions. Any current CDC, state, local or center specific health mandates will also be in effect.
